Hi Kip,
None of our folks plan to comment during the hearing. I also plan to attend and will register now.

I'd like to chat with you about meeting up beforehand for lunch or just a meet and greet with you and your regional folks. What is your schedule for that day?

Hi Jess.

I noticed that a few folks from NMFS have registered to attend the Kampachi Farms public hearing on January 28th and that those registered did not elect to provide oral comments. We are planning on allowing government representatives (federal, state, or local) to speak/comment after any elected officials. Could you confirm that NMFS will not provide any oral comments at the public hearing?

Also, don't forget to have your folks register to attend the public hearing. <https://projects.erg.com/conferences/npdes/register-publichearing.html>

Look forward to seeing everyone at the public hearing. Thank you.
